30<sup>th</sup> October 2009

Talofa Parents / Guardians

The seniors have completed their end of year exams, most exam results are ready and discussions of these papers have already started. It is important that all students continue to attend school for further revision with their teachers before their external exams.

Please note the following reminders

### School Fees

As it is now week 2, the **5% late fee for Term 4 will be effective starting next week**. As informed in our last newsletter, all invoices were distributed last term with some issued early last week for those who were away during the last week of Term 3.

**Please be reminded that all fees must be paid (cleared) before students will be allowed to sit school or regional examinations.**

**It is always an awkward situation for the school to be when we ask students to leave school due to unpaid fees, more discomfoting is when they are told that they will NOT be allowed to sit exams (school and external) for the same reason.**

### Extended Finish

Please be reminded again that our school extended finish to 3.00pm will end Friday next week. WE will return to our usual **2.05pm** finish starting Week 4 till the end of this term.

### PSSC and SSC Examinations

We hope that our efforts to have exams in the afternoon to train our students for the actual PSSC and SSC examinations will help our students' final preparation for these external examinations.

Note the timetable below.

### SAMOA SCHOOL CERTIFICATE EXAMINATION 2009

Dates	Time	Subject

On the days that students do not have exams, they can stay home to study but school will still be open if students wish to come for assistance from teachers.

You may pick up your child immediately after their exams each day.

**Also be reminded that if your child is unable to sit an exam due to illness, the school must be notified immediately on the morning of that particular exam and a medical certificate must be presented when your child returns so they can sit the missed exam.**

Finally, I want to wish all our students the best with their examinations, there is still a week to get that final help from your teachers or other students so make good use of the time left. Revise and ask as many questions, your teachers are always available to you for assistance.

Ia alofagia pea e le Atua taumafaiga a nai fanau. IA MANUIA SUEGA!
