Dear Parents/Guardians,

Talofa Lava and Greetings to You All,

Welcome everyone, hope you had a good time with your parents over the two weeks of the holidays. We have now come to the beginning of week 2, term 3 and there are a few matters that need to be brought to your attention:

Outstanding School Fees:

Some students still have outstanding fees from term 2. Please ensure that your child's school fees are paid or else your child will not be allowed back into the classes. Please contact the school immediately for further information to avoid any disruption to your child/children schooling programmes.

SC and PSSC Fees:

These are now overdue for some senior students. Please pay these fees at our main office at Lotopa.

Late arrivals to school:

A friendly reminder to the parents to please drop off your child/children at school on time. Some students tend to miss almost the first period everyday. The first period starts at 8:15 am.

Leaving School during school hours:

Please be informed that once your child/children is/are at school, no one is to leave the school compound at any time. We will only release your child/children on permission from parents during school hours or otherwise wait until the end of school at 2:30 pm. The students know that they are to get an exit pass from the office to allow them to get through the Security at the gate and we keep a record of who leaves the school. This is for the safety of our children.
